**Presidents Message:**

Hi everyone, the newsletter has been awhile coming. I just asked Linda to start producing it. It has been an interesting Optimist year to date. We have had meat raffles and breakfasts and dinners. I encourage you all to partake in them.

We have tried a more relaxed approach at the dinners to see if we can get more attendance and to enjoy each others company as opposed to a meeting environment. Lt. Governor Janet has had a game or two to create camaraderie and fun, creating giggles and smiles.

We have raised around \$60.00 from raffles, fines and donations for Gordon's Convention in August. His reign as Governor has proven to be a fun year so far and I am enjoying being part of his team.

Quarter board is this weekend and I will have some things to report when I get back.

The events we have had so far have been successful with an amazing tearoom bringing in over \$2000.00.

Keep smiling and remember that Optimism is about friendship and the kids. If you want to send Linda items of interest from the area to let other people know please do. She will be happy to include articles and information to the group (llattard@gmail.com).

Yours In Optimism  
Lorie Scott, President  
Club 45170 SWONT District 45
