

DINNER / BOARD MEETING .. Feb. 19th

Some rather nasty snow squalls prevented our caterer from bringing dinner from Watford. On short notice, we dined on chicken from Swiss Chalet. Seventeen members attended.

A donation to the Family Counselling Centre was approved in sponsorship of their “Chilly Chili Day” February 16th (Family Day). You may have heard about it on the radio as it was well publicized and apparently quite successful.

The members in attendance approved the list of significant donations to:

- | | | | |
|-----------------------------------------|----------------------|----------------------------------------------|---------------------------------|
| Rebound | Big Brothers | Big Sisters | Inn of the Good Shepherd |
| Yule Glow | Conductive Ed | Boy Scouts | |
| St. Clair Child and Youth Centre | | Pathways Centre for Children | |
| Boy's Home | Girl's Home | Harmony | Junior Achievement |
| Breakfast programs | | City Summer Fun program at Centennial | |

These funds will be distributed as time and opportunity permit.

A request for a donation for a scooter for a disabled person was deferred. More investigation into alternative funding sources and/or the possibility of an upgrade to his existing scooter is needed.

ZONE MEETING: April 9th -Dinner meeting Bridge Tavern

BOY SCOUTS

On February 17th, our Scout Troop had their annual Baden-Powell banquet. As sponsors, we were invited to attend. Ted Leckie and Hal Reid enjoyed some pizza and were presented with tokens of appreciation from the Scouts. It was wonderful to see a room full of active enthusiastic Beavers, Cubs, Scouts and Leaders. The amalgamation of our troop 42 with Troop 24 of Dunlop United Church was formalized in a church parade on the 15th of the month. They issued new blue and grey neckerchiefs which combined colours for the two troops.

Our donation will help with renovations to a cabin at Attawandaron Scout Camp.

A FULL HALL!!!!

Randy Watt, Lu Watt, Ted Leckie and Dennis Cook

Why, Why, Why

Do we press harder on a remote control when we know the batteries are getting dead?

Why do banks charge a fee on 'insufficient funds' when they know there is not enough money?

Why does someone believe you when you say there are four billion stars, but check when you say the paint is wet?

Why doesn't glue stick to the bottle? Why doesn't Tarzan have a beard?

Why do they use sterilized needles for death by lethal injection?

Why does Superman stop bullets with his chest, but ducks when you throw a revolver at him?

Why do Kamikaze pilots wear helmets? Is there ever a day that mattresses are not on sale?

If people evolved from apes, why are there still apes?

Why is it that no matter what colour bubble bath you use the bubbles are always white?

Why do people constantly return to the refrigerator with hopes that something new to eat will have materialized?

Why do people keep running over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it, then put it down to give the vacuum one more chance?

Why is it that no plastic bag will open from the end on your first try?

How do those dead bugs get into those enclosed light fixtures?

When we are in the supermarket and someone rams our ankle with a shopping cart then apologizes for doing so, why do we say, 'It's all right?' Well, it isn't all right, so why don't we say, 'That hurt, you stupid idiot?'

Why is it that whenever you attempt to catch something that's falling off the table you always manage to knock something else over?

In winter why do we try to keep the house as warm as it was in summer when we complained about the heat?
