

## **IMPORTANT MEETING!!**

**At the dinner meeting on October 2<sup>nd</sup> the future of our Club will be discussed.**

**It is time to decide if we will continue as an Optimist Club. Our membership is aging, volunteers are difficult to find for executive positions, fund raising has ceased and there's little or no interest in operating any of the standard Optimist functions- i.e. Youth Appreciation, Respect for Law, etc. etc.**

**Please give careful consideration to these issues and please plan to attend our next meeting!**

### **Ace of Spades**

**Neither Steve Sharp nor Ron Yorke was able to cut the ace in September so there's a growing pot available.**

### **BOY SCOUTS**

**On a happier note, our troop has found new quarters at Dunlop United Church and still have 42 active boys involved in Beavers(18), Cubs (14) and Scouts (10)**

### **FRUIT BASKET**

**Optimist Ted Leckie expressed his thanks for the lovely fruit basket from the Club.**

## October 2008
