

THE HALL

Yes, the Hall has been sold!! The deal closed August 29th, so hopefully by the time most of you read this we'll have a *much* larger bank balance. **AT LAST!!** Our belongings have been removed and the remaining files and flags now reside on Indian Road. We didn't get the amount we had hoped for, but compromised on price rather than attempt re-zoning. We'll certainly miss the place, lots of work and lots of great parties there, alas just not affordable for us any more.

DINNER MEETING

Can summer be almost over already? Where did it go? Trust everyone has had a wonderful time. Now we resume our regular meeting schedule with dinner at the Navy Club at 6:30 p.m. on **THURSDAY** Sept. 4th.....Be sure to attend as disposition of our new found wealth will likely be a hot topic...

CONDUCTIVE EDUCATION

Another successful program finished up last week. This year we had six children involved and the program was much appreciated by the parents. Our conductors were likely the best yet and did a magnificent job with the kids. Many thanks to the Gelgeous' for donating space for the program at their facility in Corunna. Without such community spirited people we could not offer this worthwhile opportunity for disabled children.

POINT EDWARD CLUB 40th Anniversary

The flyer for this event on September 6th is attached- a contingent from Bluewater will be attending, so please consider going in support of our first baby—yes, we helped form Point Edward in 1968. Sounds like a great time will be had!!

Dedicated Husband

A husband and wife are on the 9th green when suddenly she collapses from a heart attack! "Help me dear," she groans to her husband.

The husband calls 911 on his cell phone, talks for a few minutes, picks up his putter, and lines up his putt.

His wife raises her head off the green and stares at him. "I'm dying over here and you're putting?"

"Don't worry dear," says the husband calmly, "they found a doctor on the second hole and he's coming to help you."

"Well, how long will it take for him to get here," she asks feebly?

"No time at all," says her husband. "Everybody's already agreed to let him play through."
