**Monday June 16 at 6:00 PM**

Friday morning was a fun time as Optimist Marlene scrambled to get us bait and also porta johns as we found out neither the original bait shop knew of the order and the city did not let us know the washrooms were unsafe. She did it and then it was off to the hospital for her CT. It was early but a beautiful Saturday Morning off I went to Wally's Bait at 6:00 AM to pick up the worms and minnows. All our schools were represented at the fishing derby. It was better than the last one held a couple of years back. It was great to see so many families together fishing, moms, dads, sons and daughters. One child caught 17; one boy caught an 18 inch fish. Mudpuppies, gobies and rock bass to name a few were part of the catch and release at this fun family fishing day. Every child received a prize of some sort along with a hot dog and water. My only wish that we would have had more members available to attend and help out. It was a very good thing we were doing this as a joint project with Riverside or Optimist Bill, Sandy, Marlene and I would have had a big problem on our hands. Just because you may not fish should not have kept you away from seeing so many smiling faces as the kids reeled in the fish. Mark your calendar NOW for the first Saturday in June, 2009 for the next fishing derby.

Optimistically yours,  
Chair Dwight

## Birthday & Anniversaries

June 10 Marlene Phillip's Birthday

## Club's Comedy Corner

Subject: Triplets

A woman pregnant with triplets was walking down the street when a masked robber ran out of a bank and shot her three times in the stomach. Luckily the babies were OK. The surgeon decided to leave the bullets in because it was too risky to operate. She gave birth to two healthy daughters and a healthy son.

All was fine for 16 years, and then one daughter walked into the room in tears.

"What's wrong?" asked the mother. "I was taking a pee and this bullet came out," replied the daughter.

The mother told her it was okay and explained what happened 16 years ago.

About a week later, the second daughter walked into the room in tears.

"Mom,

I was taking a pee and this bullet came out." Again the mother told her not to worry and explained what happened 16 years ago.

A week later, her son walked into the room in tears. "Its okay" said the Mom, "I know what happened You were taking a pee and a bullet came out."

"No," said the boy, "I was playing with myself and I shot the dog."

The Optimist Creed

Promise Yourself

- To be so strong that nothing can disturb your peace of mind
- To talk health, happiness and prosperity to every person you meet
- To make all your friends feel that there is something in them
- To look at the sunny side of everything and make your optimism come true
- To think only the best, to work only for the best and expect only the best
- To be just as enthusiastic about the success of others as you are about your own
- To forget the mistakes of the past and press on to the greater achievements of the future
- To wear a cheerful countenance at all times and give every living creature you meet a smile
- To give so much time to the improvement of yourself that you have no time to criticize others
- To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.
